

NORTHAMPTONSHIRE COUNTRY CENTRE NEWSLETTER AUGUST 2011

All at the Centre would like to express their thanks to Councillor Hugheston-Roberts for a generous donation enabling the Centre to purchase a new fully fitted kitchen. Installation of the new kitchen starts next week 30 August so there will not be any cookery (31 August 2011) instead we will support the local community and buy a take away from the Indian restaurant in Kent Rd (normal donations of cookery money still apply). Because we have also been donated some money from Waitrose a dishwasher is also being purchased for the new kitchen

The Centre will be harvesting this year's potatoes in September, and these will be available for sale along with fresh vegetables and autumn/winter bedding plants. We can also now supply bales of hay, with some of our hay conveniently bagged up into pet sized bags. The Centre is in the process of planning the construction of a new shop – opening time is scheduled for spring 2012.

Well done everyone who completed the Card Safe project in connection with Northamptonshire Police – the photos are now in the corridor, normal prices apply if you would like copies.

We are holding our Harvest Supper 9 September, please come along and support us and as usual any donations for the raffle are most welcome. We are also looking for volunteers to help us at this event – all help will be gratefully appreciated, just give Karen a ring in the mornings if you can help in anyway.
