

NEWSLETTER AUTUMN 2012

Many thanks to everyone who helped out with our Potato Harvest Festival. It was a fantastic day, the weather was good and we had lots of visitors, thanks also to everyone who made a cake for the cake contest. We raised £900 on the day. The quiz night raised £194.62 and Ray gave the Centre £222.50 in donations after completing his Skydive.

Sindy, Rosie, Karen, Julie, Nora and Dora (the original chickens) are now firm friends with Cheryl, Jo, Holly, Jagger, Usaine and Jessica (the new

chickens)..

Work will begin soon on the housing for our bantams and ducks; we will also be building pens for the lambs who will visit again at the beginning of 2013.

The garage is now cleared and painted – the new woodworking area will soon start to take shape.

The potatoes are now harvested and for sale in our Community Farm shop along with a range of winter plants. Bulbs have been set in decorative planters and will be ready at Christmas time for attractive last minute presents.

A **big welcome** to Barry, Jason and Mark who have joined us over the last few weeks.
