

NORTHAMPTONSHIRE COUNTRY CENTRE
NEWSLETTER JANUARY 2012

Hi everyone and a Happy New year to all. Lots of things have happened here at the Centre in the last month. We now have a fish tank in the training room; everyone enjoys looking at the fish and helping David to feed them. The addition of six hens has also

proved very popular; again all help David feed and clean these out. Their names are Nora, Dora, Karen, Julie, Cindy and Rosie. We will be selling fresh eggs at £1.20 per half dozen or £2.40 per dozen, the hens have got to settle in but we will let you know when the eggs are ready for sale. We also would be grateful for any egg boxes you may have – any donations of food will also be accepted (they like Carrots, Cabbage, Broccoli and other fresh vegetables).

The new shop is now in position after lots of hard work by all here and particularly David and Gary over the Christmas break. The shop was bought with money donated by NLDPB; we hope to have it open by April.

There are still some potatoes for sale along with the bedding plants which include Primulas and Primroses.

John and Marion are holding our next quiz night Wednesday 14 March at the Bull in Harpole. These quiz nights are very popular with all proceeds going to the Centre, tables for three to four people cost £10 time – 7 for 7.30. As usual any raffle prizes will be welcome.

The new recreation room is taking shape and we hope to have it in use very soon, a new snooker table, air hockey and football table have been ordered.

DAVID RICHARD KAREN
