

Newsletter – January 2015

The Northamptonshire Country Centre offers training to adults with learning difficulties in horticulture, agriculture and life skills. The Country Centre offers a safe environment for vulnerable adults to interact with others, increase their confidence and contribute within their job roles. We work in partnership with the local community, schools, colleges, care homes and other groups.

Onsite we have our Community Farm Shop which sells fruit, vegetables, potatoes, composts, bedding plants, jams, chutneys and much more. The produce that we have grown onsite is sold in the shop as well as other locally sourced items. The shop is open Monday – Saturday 10am til 4pm, and is run by our Service Users with the assistance of volunteers and staff.

REFRESHMENTS SERVICE – STARTING SPRING 2015

We are already looking ahead to the springtime, and this year we are planning to offer a refreshments service to our customers. If anyone has any unwanted garden furniture (tables, benches, chairs etc) that we could use to create a seating area making the most of our stunning views across the fields, they would be most appreciated.

Please contact Clare on 01604 582141 or 07825516927

OPEN DAYS

Dates will be confirmed soon for our Open Days. Help us to raise vital funds to continue the good work of the Northamptonshire Country Centre and to also develop the services that we offer, by kindly donating any unwanted items that can be used on the tombola, raffle, auction or bric-a-brac stalls.
