

NORTHAMPTONSHIRE COUNTRY CENTRE NEWSLETTER

JULY 2011

Our open day went really well – the weather, BBQ and the homemade cakes were beautiful. Thanks to all who helped us on the day and to all of you who sent in donations and raffle prizes a

total of £1357.20 was raised.

Our hay has now been harvested and the potatoes are growing well in our field, we hope to harvest these in September.

We still have a large selection of herbs and these are for sale along with the remainder of our bedding plants many of which are now reduced to clear.

All of our vegetables in our poly tunnel are now maturing. Cucumbers, Courgettes, Tomatoes and French Beans are all now available to buy at competitive prices from our shop.
